(a) A notice shall be sent by certified mail to the last known address of the member. Such notice shall be sent at least fifteen (15) days before the proposed effective date of expulsion.
(b) The member being expelled shall have an opportunity to be heard at a hearing to be held not less than five (5) days before the effective date of the proposed expulsion. The notice of expulsion shall set the date, time and place of the hearing.
(c) Following the hearing, the Board of Directors shall decide whether or not the member should in fact be expelled, suspended, or sanctioned in some way. The decision of the Board shall be final.
(d) The person expelled shall receive a refund of tuition already paid. The refund shall be prorated to return only the unaccrued balance remaining for the period of the tuition payment.

Article 15: Meetings of Members

Section 1. Place of Meetings.
Meetings of members shall be held at the principal office of the Corporation or at such other place or places within or without the State of California as may be designated from time to time by resolution of the Board of Directors.

Section 2. Annual and Other Regular Meetings.
The members shall meet annually anytime within the first 15 days of November for the purpose of meeting newly elected Trustees and transacting other business as may come before the meeting. The annual meeting of members for the purpose
of meeting newly elected Trustees shall be deemed a regular meeting and any reference in these Bylaws to regular meetings
of members refers to this annual meeting.

Section 3. Special Meetings of Members.
Special meetings of the members may be called by the Board of Directors or the President of the Corporation. In addition,
special meetings of the members for any lawful purpose may be called by 10 percent (10%) of the membership in a written
petition.

Section 4. Notice of Meetings.
(a) Time of Notice. Whenever members are required or permitted to take action at a meeting, a written notice of the
meeting shall be given by the Secretary of the Corporation not less than ten (10) nor more than thirty-five (35) days before
the date of the meeting to each member who, on the record date for the notice of the meeting, is entitled to vote thereat. If
notice is given by mail, and the notice is not mailed by first-class, registered, or certified mail, that notice shall be given not
less than twenty (20) days before the meeting.

(b) Manner of Giving Notice. Notice of a membership meeting or any report must be given either personally or by mail or
other means of written communication, addressed to the member at the address of such member on the books of the
Corporation or given by the member to the Corporation for the purpose of Notice shall be deemed to have been given at
the time when deposited in the mail or sent by telegram or other means of written communication. All mailings must be
postmarked by the appropriate date as stipulated in these Bylaws.

(c) Contents of Notice. Notice of a membership meeting shall state the place, date, and time of the meeting and (1) in the
case of a special meeting, the general nature of the business to be transacted, and no other business may be transacted, or
(2) in the case of a regular meeting, those matters which the Board, at the time notice is given, intends to present for action
by the members. Subject to any provision to the contrary contained in these Bylaws, however, any proper matter, which
Trustees are to be elected, shall include the names of all those who are nominees at the time notice is given to members. (d)
Notice of Meetings Called by Members. If a special meeting is called by members as authorized by these Bylaws, the
request for the meeting shall be submitted in writing, specifying the general nature of the business proposed to be
transacted and shall be delivered personally or sent by registered mail or by telegraph to the Chief operating officer,
President, Vice President and Secretary of the Corporation. The officer receiving the request shall within ten (10) calendar
days, cause notice to be given to the members entitled to vote that a meeting will be held, stating the date of the meeting.
The date for such meeting shall be fixed by the Board and shall not be less than ten (10) nor more than thirty five (35) days
after the postmark date of the notice. If the notice is not given within ten (10) days after the receipt of the request, persons
calling the meeting may give the notice themselves.

(e) Special Notice Rules for Approving Certain Proposals. If action is proposed to be taken or is taken with respect to the
following proposals, such action shall be invalid unless unanimously approved by those entitled to vote or unless the
general nature of the proposal is stated in the notice of meeting or in any written waiver of notice:

(a) Removal of Trustees without cause;

(b) Filling of vacancies on the Board by members if those vacancies have not been filled by the Board pursuant to Article 3,
Section 9 of these Bylaws;

(c) Amending the Articles of Incorporation; and

(d) An election to voluntarily dissolve the Corporation.

Section 5. Quorum for Meetings.
A quorum shall consist of thirty (30) percent of the voting members of the Corporation. The members present at a duly
called and held meeting at which a quorum is initially present may continue to do business notwithstanding the loss of a
quorum at the meeting due to a withdrawal of members from the meeting provided that any action taken after the loss of a
quorum must be approved by at least a majority of the members required to constitute a quorum. In the absence of a
quorum, any meeting of the members may be adjourned from time to time by the vote of a majority of the votes
represented in person or by proxy at the meeting, but no other business shall be transacted at such meeting. When a
meeting is adjourned for lack of a sufficient number of members at the meeting or otherwise, it shall not be necessary to
give any notice of the time and place of the adjourned meeting or of the business to be transacted at such meeting other
than by announcement at the meeting at which the adjournment is taken of the time and place of the adjourned meeting.
However, if after the adjournment a new record date is fixed for notice or voting, a notice of the adjourned meeting shall
be given to each member who, on the record date for notice of the meeting, is entitled to vote at the meeting. A meeting
shall not be adjourned for more than forty-five (45) days. Notwithstanding any other provision of this Article, if this
Corporation authorizes members to conduct a meeting with a quorum of less than 30% of the voting power, then, if less
than 30% of the voting power actually attends a regular meeting, in person or by proxy, then no action may be taken on a
matter unless the general nature of the matter was stated in the notice of the regular meeting.
Section 6. Majority Action as Membership Action.
Every act or decision done or made by a majority of voting members present in person or by proxy at a duly held meeting at which a quorum is present, is the act of the members, unless the law, the Articles of Incorporation of this Corporation, or these Bylaws require a greater number.

Section 7. Voting Rights.
Each member is entitled to the number of votes outlined in Article 14, Section 1 on each matter submitted to a vote by the members. Voting at duly held meetings shall be by ballot.

Section 8. Proxy Voting.
Members entitled to vote shall be permitted to vote or act by proxy. Members entitled to vote shall have the right to vote either in person or by a written proxy executed by such person or by his or her duly authorized agent and filed with the Secretary of the Corporation, provided, however, that no proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. In any case, however, the maximum term of any proxy shall be three (3) years from the date of its execution. No proxy shall be irrevocable and may be revoked following the procedures given in Section 5613 of the California Nonprofit Public Benefit Corporation Law. All proxies shall state the general nature of the matter to be voted on and, in the case of proxy given to vote for the election of Trustees, shall list the nominees. Any issue on a proxy may be marked "withhold" and shall not be counted as either a vote for or against the issue or nominee. All proxies shall specify a choice between approval and disapproval for each matter intended to be acted upon at the meeting for which the proxy is solicited. The proxy shall also provide that when the person solicited specifies a choice with respect to any such matter, the vote shall be cast in accordance therewith.

Section 9. Conduct of Meetings.
Meetings of members shall be presided over by the President of the Board. The Secretary of the Board shall act as Secretary of all meetings of members. Meetings shall be governed by Robert's Rules of Order, insofar as such rules are not inconsistent with or in conflict with these Bylaws, with the Articles of Incorporation of this Corporation, or with any provisions of law.

Section 10. Action By Written Ballot Without a Meeting.
Any action which may be taken at any regular or special meeting of members may be taken without a meeting if the Board of Directors distributes a written ballot to each member entitled to vote on the matter. The ballot shall set forth the proposed action, provide an opportunity to specify approval or disapproval of each proposal, provided that where the person solicited specifies a choice with respect to any such proposal the vote shall be cast in accordance therewith, and provide a reasonable time within which to return the ballot to the Corporation. Ballots shall be mailed or delivered in the manner required for giving notice of meetings specified in these Bylaws. Approval of action by a written ballot shall be valid only when the number of votes cast by ballot within the specified time period equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. Trustees shall be elected by written ballot. Such ballots for the election of Trustees shall list the persons nominated at the time the ballots are mailed or delivered. If any such ballots are marked "withhold" or otherwise marked in a manner indicating that the authority to vote for the election of Trustees is withheld, they shall not be counted as votes either for or against the election of a trustee. A written ballot may not be revoked after its receipt by the Corporation or its deposit in the mail, whichever occurs first.

Section 11. Reasonable Nomination and Election Procedures.
This Corporation shall make available to members reasonable nomination and election procedures. In considering nomination for Board service, the following standards must be met by all nominees and write-in nominees. Nominated members must have at least four months service as a member of a Board Committee and have attended at least two Board meetings in the last twelve months. Nominated members must have attended Journey & Discovery and comply with the Board member agreement. On the last day of August each year, the President of the Board shall direct the Board Resources Committee members to nominate members for election to the Board. A roster of the Board Resources Committee, including telephone numbers, shall be posted in the school administrative office with notice of the same sent to all members in subsequent newsletters. These notices shall inform all voting members that they may submit their own nominations or the nominations of other members in writing to any member of the Committee up to the fourth Monday in September with the final date so stipulated. The Board Resources Committee shall thereafter issue its slate of nominees, including the names of all those nominees by October 1st. By October 1st, a list of all such nominees shall be sent by mail
to each voting member of the Corporation. These ballots will list all the nominees and shall provide a space for write-in nominees. A locked ballot box shall also be provided in the school administrative office and shall remain open for a minimum period of two consecutive weeks. A final date for voting prior to the member annual meeting will be stipulated. The ballot box shall be opened and ballots counted on the Monday prior to the October Board meeting with a minimum of two members at large present. These persons shall provide written statement that they were present. Newly elected Board members will be seated at the October Board meeting. At the Annual Meeting of the Corporation Members in November of each year, the members comprising the newly elected Board shall be announced by the Board Resources Committee Chairperson.

Section 12. Construction.
The foregoing Bylaws shall be construed in conformity with the provisions of California’s Nonprofit Public Benefit Corporation Law (Sections 5110 et seq. of the California Corporations Code). To the extent any provision of the foregoing Bylaws does not so adhere to Sections 5110 et seq. of the California Corporations Law, such provision shall be amended as soon as practicable by the Board of Directors to conform within.
